

Request under Freedom of Information Act 2000

**Request Ref: NGFOI 18/19: 557**

Thank you for your request for information received at Northampton General Hospital NHS Trust (NGH) on 21/01/2019.

I am pleased to be able to provide you with the following information:

1. *The total number of adult emergency and elective inpatient beds across the Trust, excluding maternity (and paediatric) beds.*

**The total number of adult beds across the Trust is 696.**

**I can confirm on behalf of the Trust and in accordance with S.1 (1) of the Freedom of Information Act 2000 (FOIA) that we do not collate the information in the breakdown that you have requested. Data concerning the number of beds is not split into emergency and elective.**

2. *The total number of adult emergency and elective 'inpatient episodes' within the most recently recorded 12 month period, excluding maternity (and paediatric) episodes.*

**For January to December 2018, the number of emergency inpatient episodes for those aged 18 years and over was 39284.**

**For the same period, the number of elective inpatient episodes for those aged 18 years and over was 4209.**

3. *The number of emergency and elective 'inpatient episodes' belonging to adults aged 65 years or over, within the most recently recorded 12 month period.*

**For January to December 2018, the number of emergency inpatient episodes for those 65 years and over was 18614.**

**For the same period, the number of elective inpatient episodes for those ages 65 years and over was 2030.**

4. *Of the number of emergency and elective 'inpatient episodes' belonging to adults aged 65 years or over within the most recently recorded 12 month period, how many of these required a domiciliary social care package to be implemented prior to discharge?*

**I can confirm on behalf of the Trust and in accordance with S.1 (1) of the Freedom of Information Act 2000 (FOIA) that we do not collate the information that you have requested. This information may be available from NHS England. They can be contacted at:**

**<https://www.england.nhs.uk/contact-us/>**

5. *The sum of the number of days each inpatient bed was occupied by an adult aged 65 years or over whilst he/she was deemed 'medically fit for discharge' but was unable to be discharged due to inadequate social care provision, in the most recently recorded 12 month period. (Please give data separately for each emergency and elective bed types if readily available, otherwise combined data is acceptable)*

**I can confirm on behalf of the Trust and in accordance with S.1 (1) of the Freedom of Information Act 2000 (FOIA) that we do not collate the information that you have requested.**

This information may be available from NHS England. They can be contacted at:  
<https://www.england.nhs.uk/contact-us/>

6. *The average cost of an inpatient bed occupied by an adult aged 65 years or over, per 24 hour period, for each emergency and elective beds (or emergency and elective beds combined if separate data is not readily available).*

**We do not hold a set figure as this is dependent on treatment and needs.**

7. *The name(s) and email address(es) of the Trust's 'Lead Discharge Co-ordinator(s)'.*

**It is not Trust practice to divulge the details for staff members below board level, however, we would be happy to forward on correspondence on your behalf.**
