

Request under Freedom of Information Act 2000

Request Ref: NGFOI 19/20: 025

Thank you for your request for information received at Northampton General Hospital NHS Trust (NGH) on 12/04/2019. I apologise for the delay in replying.

Under the Freedom of Information Act 2000 could you please provide me with the following information for senior manager post(s) within your organisation which have responsibility for the Information Governance function (Data Protection, Records Management, FOI, Information Security etc.) for example posts such as Head of Information Governance, IG Manager, Data Protection Officer, Head of Information Services should any comparable post form part of your structures. I am particularly looking for details on posts at Band 8B or above on the Agenda for Change pay scales and for each post I would be grateful if you could provide:

- *A copy of the Job Description and Job Specification;*
- *A copy of the Agenda for Change matching documentation i.e. the evaluation documentation including National Profile to which the Job Description was matched against to ascertain the AfC grading;*
- *Where the post was not matched against an existing AfC National Profile please provide a copy of the completed Agenda for Change Job Analysis Questionnaire which would have been used to establish the grade of the post.*

I can confirm on behalf of the Trust that we do not have any posts of this nature at Band 8B and above.
