

Request under Freedom of Information Act 2000

Request Ref: NGFOI 19/20: 223

Thank you for your request for information received at Northampton General Hospital NHS Trust (NGH) on 24/07/2019.

I would like a list of employee job titles (not personal data) for those within your trust who are decision-makers regarding the decision to procure pre-filled syringes in analgesic, anaesthetic or emergency care.

The Formulary Committee is the decision maker as to what medicine is procured. Further procurement decisions as to which actual product is purchased are by regional and national contracting frameworks.
