Thank you for your request for information received at Northampton General Hospital NHS Trust (NGH) on 05/08/2019.

- *How many ACUTE NHS Trusts in England have a Surrogacy Policy when dealing with pregnant patients which include Surrogates and intended parents?*

I can confirm on behalf of the Trust and in accordance with S.1 (1) of the Freedom of Information Act 2000 (FOIA) that we do not collate the information that you have requested.

- *Those Trusts that do, when it was last updated (month and year)? (As new essential guidelines was released in Feb 2018 and the take up appears to be small (which I want to help correct).*
